Overview

Sitting above the town of Tilaran in one of the most prestigious areas in the Municipal Hub of the Arenal District. This lovely US standard home sits at the end of the street so there is no traffic noise. Walk to town in 10 minutes or less. All amenities available. Custom woodwork, granite counter tops, hot water throughout, double car carport and garage. Large windows to take advantage of the countryside views and sunsets. This is a must-see for the retiree who needs to have services close by or the family with children who are still in school. Both public and private schools are close to this residence.
