## Overview

This fairly new constructed home situated on 2,575.00 mt2 lot and offers stunning views of Lake & Volcano Arenal plus the lush, mountain views. The 1,856 ft main house offers 1 bedroom, 1.5 bathrooms, an open concept kitchen, living and dining room with walk-in pantry, a large laundry area and a spacious loft that overlooks the living area below. Large windows that bring the outdoors in. On the main level there is a wrap around deck on 3 sides of the home to take advantage of the different views. Also, a small apartment for guests.
