Overview

Welcome to this pre-construction luxury home in the great community of Finca Gloriana, Quepos. This beautiful home is being built on the hillside of the 0.40 acres land with great landscaped gardens. Sunsets are stunning every night from this property! This pre-construction is a two storey luxury home with 3 bedrooms and 4.5 bathrooms with over 2,700 SF of living space. As you walk into the house you will find the expansive kitchen that is going to be outfitted with custom cabinetry, large island, stainless steel appliances and a thick granite counter top, perfect to delight those who love cooking and entertaining. The high ceilings accented with wood are going to give this already spacious home an open design and allow the natural light to fill each room of the house.
