## Overview

Amazing Five-star condos for sale, 3 bedrooms, 2 bathrooms. The best combination of both worlds from our condos Rainforest, allows guests to share the incredible dynamic life of the rainforest. Choose your view either a partial sea view or garden view, in both you will be thrilled to see the natural life. Not only will you see monkeys swaying vibrantly through the trees above, but you'll be much closer to see exotic friendly animals like the guatuso, armadillo, or coatimundi foraging nearby. A natural experience you must not let pass.
