Overview

This spacious 3-bedroom house for sale in Liberia is located in one of the preferred gated communities of Liberia. The home counts with a larger lot than other homes in the residential, which is reflected in a nice and very private garden area. The home's location within the residential provides a lot of privacy. This modern house with Mediterranean style comes fully furnished and equipped. It has been built to North American standards using high-quality materials and finishings. The tasteful furniture that comes with the home has been imported to Costa Rica. The details and decoration make this home very charming. There is an open concept, combining the kitchen with the rest of the living/dining room. The kitchen comes fully equipped with modern appliances. The high ceilings in the living room, kitchen, and master bedroom help to keep it cool. The master bedroom has direct access to the covered terrace and garden area. Furthermore, there is a large walk-in closet and a light bathroom with its Jacuzzi and a rainforest glass shower stall. The other 2 bedrooms are also spacious and can also be perfectly used as a guestroom or an office. The home comes with a separate laundry room with a washer and dryer plus tons of working tools. The large covered garage, with wiring, cable and plumbing in place, can easily be turned into a maids' room or separate apartment, kitchen extension additional bedroom, or whatever one desires. The gated community includes a recreational area with swimming pool, soccer and basketball fields. There is also a playground for the youngest residents. The home is in walking distance of shops and restaurants and various beaches and mountains can be reached within 30-45 minutes by car. The international airport is approx. 10-15 minutes away. From there one can fly directly to Canada, the United States, Panama City, etc., and from there to any other destination in the world.
