Overview

These fantastic great value for money 3-bedroom duplex villas are situated in Polop, they are surrounded by pine trees, and have Mount Ponoig behind them and wonderful sea views in front. The urbanisation is gated and is fully protected with a security and surveillance system, making it the perfect blend of security, wellbeing and nature. There is a building for community use, with a large swimming pool, children's play area, gym room, a space for electric bicycles with recharging system, photovoltaic energy, and much more. The town of Polop is a lovely very Spanish town, with all sorts of amenities, Altea is also close by, which is a beautiful sea-side town with all the restaurants, bars, shops and activities you could wish for. The homes all come with hot and cold air conditioning, and they all have the option of adding a private swimming pool and / or a solarium. They have an outside parking space, a garden and a terrace. They also have 2 bathrooms and an American kitchen with an open plan living area. Every home has sea views. Please contact us for more information.
