Overview

Unique residential resort and a celebrated Paphos landmark located at the city's most privileged waterfront location. Consisting of two towers - the residential West Tower with 15 floors and the under-construction 5-star hotel chain on the East Tower with 16 floors - this resort is set to be the highest building in the city. Interior elements encompass high-quality materials and elegant finishes to combine maximum design with exceptional technical performance. Each of the 50 fully furnished and turnkey-equipped apartments will have its terrace, where residents will be able to enjoy the unobstructed sea views, the golden Mediterranean sunsets, and spend quality time with family and friends. The residences accommodate a gym, a spa, a swimming pool, sports facilities, a park, a playground, and stunning gardens - all essential commodities that invite relaxation and a comfortable lifestyle. Additionally, the resort will be surrounded by luxury hotels, nightlife, schools, universities, and hidden gems to be discovered. The breathtaking views of Paphos seafront, the harbor with its picturesque castle, and the panoramic views of the vibrant city add the perfect lasting touches to an already stunning project.
