Overview

This excellent project combines luxury and safety living within walking distance to the beach. It has super accessibility and connectivity with easy access to the motorway, the rest of the cities and airports. It adjoins a park and is a mere 3 minute walk to a nature path. It is close to all amenities, including shops, supermarkets, restaurants, banks and International Schools (Foleya??s). The project consists of three modern buildings, being five storeys, with the option of A a layout (of two or three bedrooms), and spacious apartments, with sizable balconies and sea views. The project with gated entrance and a concierge at the reception. A connected A secure spacious underground parking will connect the three buildings. This apartment combines the excitement of a high and unique living within the city offering up-market facilities to residents. A
