Overview

Villa is situated in the quiet rural village of Asprogia which can be found in the hills of Paphos Forest. This detached 4 bedroom property is within walking distance of the village and set on a gentle hillside offering beautiful countryside views. To ensure that the property blends with the surrounding landscape, it has been designed using traditional features such as exterior stone finishes and solid wood doors. The villa, although designed in a traditional Cypriot style, has all the modern conveniences you would expect from a new build property and includes an individual private swimming pool set and a private Church in the enormous-sized garden.A A
