Overview

Sea front luxurious apartment in Limassol tourist area offering uninterrupted sea views from spacious verandas and full height glazing seamlessly merges the interior with the exterior, adding to the immense sense of space. Located in the heart of the popular 17 km-long promenade along the coastline, project will be built on a large plot of 34,000 sq m, stretched across the 170 meters of the land's sea frontage, allowing magnificent sea views from ground to top floor. Situated close to the most prestigious residential areas and five-star hotels, the development is aiming to transform Limassol's seafront. The project will be surrounded with beautiful, lush landscaping, and will have extensive parking available, including allocated parking for residents.
