Overview

Botanica Sky Valley Type C

Nestled on a gentle and serene hillside near Laguna and Layan Beach, the Botanica Sky Valley is the 7th phase by a very successful pool villa developer in Phuket, offering luxury private pool villas with panoramic hill views. The development will consist of 12 gorgeous pool villas with either 4 bedrooms or 5 bedrooms and with land sizes ranging from 1,026 sqm up to 1,897 sqm. The design combines modernity with a luxury living lifestyle. Each villa contains a gorgeous open-plan living and dining area and a fully equipped kitchen with an island breakfast bar. The modern shape and infinity swimming pool is surrounded by generous pool terraces, while the larger villa types boast a large, covered roof terrace which is ideal as a second living or for parties or any form of social gatherings.
