Overview

Calling all investors! 8 Building plots for sale on the golf course in Costa Esuri. A fantastic opportunity to build, promote and sell luxury houses on this wonderful golf course in Huelva.

There are 8 contiguous plots set in this beautiful landscape, with the possibility to amalgamate and segregate into 12 plots, allowing for further expansion and profit.

The plots each are a minimum 1.050m2-1200m2. The building regulations allow for a single family home per plot, upto 182m2, over two floors, plus a basement.

All the plots are being sold as one, and are not being sold separately. For investors and promoters only, please call to arrange your inspection today.

We inform clients, that in compliance with the Decree of the Junta de Andalucia 218/2005 of October 11, that notary fees, registration, ITP (Property Transfer Tax), agency fees (commission) and other expenses inherent to the sale, which are in addition to the sale price, are borne by the buyer.

If the house is off-plan, under construction, or newly built in first transmission, we also inform you that we have the Abbreviated Information Document of the property.
