Overview

If you're looking to set up a northern Michigan recreational retreat, this is the place for you. Perhaps you prefer to stay close and make use of the 20 beautiful acres, or someday you might choose to visit nearby trails, golf courses, lakes and rivers, or possibly a quick trip to Lake Michigan or Mackinaw Island. An extra detached garage is also here to keep your northern Michigan toys safe and dry. And in case that's not enough, included with this 20-acre cabin is a lot in Lakes of the North, providing you private access to Harold and Pencil lakes, the clubhouse, pool, golf, airport, and more. (To be clear, the cabin and 20 acres is not in Lakes of the North, but the extra lot is.)
