Overview

Cute 2 bedroom 1 bath very well-kept mobile home on 8 mostly-wooded acres. Nicely landscaped, secluded feeling, several apple trees, trails throughout the property, and a small pond. Plenty of deer and other wildlife frequent the property. The home features a free standing woodstove for supplemental heating, a carport, a covered porch overlooking the landscaped lawn, an attached heated workshop, and a grid-tied solar array with inverter and battery bank for backup power and to keep power bills low. There's also a 15x20 cabin/shed with its own power, septic, and well - perfect for hooking up campers for guests. Great location not far off M33 and about half way between West Branch and Rose City. Public land and the Rifle River only 3 miles away.
