Overview

TURNKEY Log-Sided Lake Cabin on the 61 MM of Lake of the Ozarks! Remodeled in 2015, the home was gutted to raise and vault the ceiling, replace framing as needed, install PECS plumbing, new electric, windows, LVP & tile flooring, knotty pine cabinets with granite counters, and create a screened in deck area! The bathroom features a sizable walk in shower and has hookup for a stackable washer/dryer. Absolutely stunning view from the decks and with mature trees all around, it feels very secluded and almost like a tree house! Tons of outdoor space with the screened deck, open deck, and a second large deck half way down to the road. Single well boat dock and swim platform included as well as the lift (the lift needs repair). Year round water, excellent fishing, calm waters, and gas dock/restaurants just across the channel! Fantastic vacation cabin or potential for nightly rental! Selling in as-is condition. No info known about septic.
