Overview

Year around home on Littlefield Lake. Great location looking right up the lake from a level lot to the waters edge. Updated kitchen with granite counter tops, custom cabinet lighting, full height pantry with pull out shelves, barrier free bathroom/shower with heated floor, 4 season room with a wall of windows looking out at the water and a hot tub to enjoy during those colder days, 12x24 shed that's been finished with power and heat into a great work shop. If a workshop is not needed, maybe you could finish it off for an overflow bedroom? Sandy bottom beach area, large aluminum dock with wheels, sea wall and some nice landscaping rounds things out. All listing info/measurements are approx.
