Overview

This renovated 5-bedroom home is situated on a prime elevated position across two spacious lots. The property ensures ample privacy and tranquility in its peaceful location. The interior of the house has been renovated to an open concept living area featuring large windows allowing natural light in. Each of the five bedroom are generously sized, with the master suite offering a jacuzzi tub and separate shower with multi shower heads. Both bathrooms have been updated. Walk-out basement is partially finished with 2 bedrooms and excellent location to be finish for entertainment or recreation room. The home sits majestically on two lots, providing a sense of seclusion and plenty of space for outdoor activities. The large wrap-around deck allows for entertaining and relaxing with morning coffee or cocktails in the evening. The expansive grounds offer a perfect opportunity to add a large attach garage, ideal for those needing extra storage. Newer hot water heater, new stove, dishwasher, and dryer. Home has forced air heating and A/C
