Overview

Charming, immaculate, and freshly painted, this 2-bedroom (split by a curtain), 1-bath home (or cabin) was once blessed with views of the overflow from Halfmoon Lake. With the lower water table, it has transformed into a serene nature sanctuary teeming with wildlife. While the property was being listed, a group of deer leisurely wandered through. Also, with the adjacent neighboring lot, fully wooded, offers exceptional privacy on both sides of this home. Enjoy access to the Bear Lake and Halfmoon Lake, ideal for swimming, boating, fishing, and other outdoor activities. There is ample storage with three sheds measuring 3x4, 8x18, and a workshop/shed at 8x21. The home boasts delightful curb appeal with split rail fencing outlining the curves of the horseshoe-shaped, crushed asphalt driveway. Relax on the secluded 12x15 covered porch and enjoy your favorite music. Inside, you'll find an open floor plan and a spacious laundry/entryway. The home includes a stove, refrigerator, washer, dryer, and a window AC unit. Schedule your showing today!
