Overview

This is what you've been searching for! Incredibly well crafted single level 3 bedroom 2 bath town home with luxurious finishes throughout and detached garage. Spacious/open great room with vaulted ceilings and large windows bringing in the natural light and lush greenery. Cozy up on those chilly nights next to the crackling, soft glow of the stone fireplace. The kitchen is the crown jewel with custom, soft close cabinets, granite countertops, gas stove, stainless steel appliances and breakfast bar. Observe the buzzing of the hummingbirds as you entertain on your large covered back deck. Best of all, location location in the sought after Bison Retreat Villas, a beautifully manicured gated community surrounded by Bison Golf Course. The White Mountains offers a variety of activities celebrating all four seasons. Inhale the crisp, clean air and the fresh aroma of pine while hiking and biking the network of trails. Rejuvenate during your morning kayak or ride the fresh powder during ski season. Welcome to a community of holiday parades, friendly waves, farmers markets, and corn dogs at the carnival.
