Overview

Come take a look at this stunning stone home established on over half an acre with beautiful landscaping. Over 2700 sqft this home welcomes you with fresh paint, gorgeous vinyl plank flooring, raised ceilings and crown molding through out. The large living room features beautiful builtins and a gas fireplace connecting to the kitchen and breakfast area. Space is not an issue in this gourmet kitchen complete with granite countertops, beautiful wood cabinetry, gas cooktop, and built in oven. Enjoy the solitude of the oversized master suite providing dual vanities, patio access, and a large walk in shower. Relax in your own private backyard oasis. The large covered patio provides ample seating to gather while the kids have tons of room to run and play. This yard is absolutely breathtaking! With so much more to offer you'll have to see it for yourself!
