## Overview

NACA Members! Seller welcomes your Offers to this Charming 2.5-Story Brick Bungalow with 5 Bedrooms and 3 Baths This stunning home is perfect for families and those who love to entertain...offering plenty of comfort for everyone. The main level features a cozy living room complete with a custom accent wall and fireplace, ideal for relaxing evenings. A separate dining room provides an elegant space for family meals and gatherings, while the eat-in kitchen ensures that cooking and dining are a pleasure. An additional adjacent room aids in flexibility-perfect for a home office or playroom. Upstairs, you'll find two oversized bedrooms, each with ample storage and plenty of natural light. The finished walkout basement is a standout feature of this home, boasting an open concept design that flows effortlessly into the oversized backyard. With a spacious bedroom and full bath on this level, it's ideal for a guest suite, recreation area, or expanding your living area. Outside, in the oversized backyard, there's plenty of room for activities, gardening, or simply unwinding in your private sanctuary. Located in a desirable neighborhood close to schools, parks, and shopping, this home is not only beautiful but convenient. Don't miss your chance to make this bungalow your HOME!
