Overview

Welcome to this 2-bedroom, 1-bath home located in the desirable Wausau West school district. This 1,248 sq. ft. farmhouse style home offers a perfect blend of historic character and modern convenience. Nestled on a spacious .34-acre corner lot, this property provides plenty of outdoor space with a fenced yard and mature trees, making it an ideal spot for enjoying the outdoors. As you step inside, you'll be greeted by an open concept home with a large kitchen and family room. The layout offers plenty of room for a variety of furniture arrangements, making it a versatile space for any lifestyle. Within the kitchen, you'll find a convenient main-level laundry space, providing ease and comfort without the need to head to the basement. The home features two bedrooms, one on the main level and another generously sized upper bedroom that offers lots of potential for a home office, hobby room, or extra living space. Whether you need space for relaxation or creativity, this bedroom provides it all. The upstairs unfinished attic could be finished for more living space or just used for storage. The outdoor area is a standout feature of this property. The large, fenced yard is perfect for outdoor activities or simply enjoying the shade from the mature trees. It's also a great space for gardening enthusiasts, with a garden shed for tools and supplies. The fire pit area adds a cozy spot for evening gatherings or weekend barbecues with friends. For added convenience, there's an extra storage area and a 1-car garage to keep all your outdoor equipment and tools organized. This modest home offers all the essentials, perfect for those who love a peaceful, tree-lined neighborhood. With a little love and your personal touches, this is one of the few affordable options on the market. Schedule a showing today!
