Overview

7110 Whispering Oaks combines South Austin vintage charm with modern updates and a stunning detached ADU. Mature trees adorn the front yard and compliment the stylish front of the home. Large, light-filled open-concept living and dining spaces create an inviting and relaxing atmosphere. With three well-appointed bedrooms and two full bathrooms, everyone has ample space to feel at home. Complemented by sleek countertops and Whirlpool Appliances, the kitchen is perfect for culinary enthusiasts. Your primary suite is a true retreat with access to the backyard and ADU. Upgraded windows throughout the home not only enhance energy efficiency but also significantly reduce outside noise, ensuring a peaceful indoor environment. Staying connected is a breeze with Google Fiber, and the garage is equipped with an electric vehicle charger port, catering to modern needs. If you're looking for a backyard sanctuary you'll love the 323-square-foot deck ideal for grilling and chilling. If you work from home, or are looking for additional relaxation space, the beautiful ADU is fully powered, and air conditioned. The backyard is landscaped with native plants, hardscaping, and a rain barrel irrigation system, creating a sustainable and picturesque outdoor living area. 7110 Whispering Oaks is lovingly maintained and ready for you to enjoy.
