## Overview

Updates and upgrades take center stage in this 3BED|1BATH,.25-acre Comstock Park home! New windows + roof in 2020, newer gutters, driveway w/ extra concrete slab, a completely refreshed 3-bedroom main floor includes new flooring, accent lighting, shower/tub and a subway-tiled kitchen backsplash...to name a few! The lower level has a sizable workroom, laundry and tons of space for workout, office, living and storage areas. Relax and entertain in the fenced-in backyard on a spacious deck. Add your touch to the existing garden and enjoy room for outdoor sports of all kinds! A second deck, newly stained and framed out by gorgeous plantings, accents the front yard space. Come see this lovely home today!
