Overview

Charming one of a kind country feeling home with so much character next to the park. Stone and natural wood through out and updated lighting. Barn doors frame the laundry room entry and the master bathroom. A stone arch leads you into the beautiful and warm kitchen featuring built in spice rack, stainless appliances, gas stove, and refrigerator. Large loft upstairs for a multi purpose room. Master Bedroom good sized and darling with chair rail trim. The subdivision park is adjacent to the property with walking paths and play equipment. No neighbor next door, quiet neighborhood, beautiful front country porch, with a home that has such great curb appeal.
