Overview

Step into your own picture-perfect sanctuary with this charming home! Situated on 1.39 acres, This delightful property features 3 cozy brs, 2 bas, and ample living space that includes a spacious dining room and living room - perfect for both everyday living and entertaining guests. The home also offers a practical mudroom/laundry room conveniently located at the rear entrance, which can help keep your home clean and organized. If you need extra storage or a quiet place to work, there's a small room adjacent to the back entrance that could serve as a large pantry or a private office. Outside, you'll be greeted by a large extended front yard adorned with mature trees, providing a serene and shaded space to relax. In the back, you have a concrete patio area that's just waiting for your personal touch to become the ideal spot for barbecues or quiet evenings under the stars. The full, unfinished, walk-out basement presents a blank canvas with tons of potential, ready for you to transform it into additional living space, a home gym, or whatever your heart desires. This home is a must-see, offering the perfect blend of comfort and possibility, all nestled in a beautiful setting.
