Overview

Welcome home! Single level home features a comfortable floorplan with an efficient kitchen that opens to the dining area, perfect for entertaining! The spacious primary suite is the ideal retreat for relaxation at the end of a long day. The private backyard is bordered by mature trees and includes a large patio, a great space for summer BBQ's or a cold drink with friends. The oversized three car garage provides ample space for vehicles, a personal workshop or a variety recreational equipment (which you'll need with all of the activities easy to access in our area, such as hiking, mountain biking, exploring with ATV's or fishing in local lakes). Great location with easy freeway access and a short drive to local events in downtown Reno and year-round recreation at Lake Tahoe. Some rooms have been virtually staged for visual representation. Call today for a personal tour!
