Overview

Beautiful and well cared for spacious Victorian 2.5 story home in the heart of downtown Belleville. Inviting 12x11 foyer w/ decorative ceiling and gorgeous fret work between the foyer and the living room. There is also fret work above the original pocket doors that lead to the formal dining room. The living and dining rooms both have wonderful antique decorative fireplaces along with the primary suite on the 2nd floor. The large dining room is perfect for entertaining and the table/chairs/buffet stay with the home. The kitchen has granite countertops, custom cabinets, and all stainless appliances stay. The home as a primary suite on both levels. The upper level also has a bedroom, office, full bath, and laundry closet. Concrete driveway and newer privacy fence with wood wrapped steel posts. All radiators work. RE taxes and parcel size are combined totals. Buyer's to be preapproved or have proof of funds to view. All info should be verified by buyer or buyer's agent. Ask agent for additional info sheet.
