## Overview

Newly remodeled 4BR/2BA one-level home in Lakeside School District! A luxurious master bedroom/bath addition was recently completed, effectively doubling the square footage of the home. Other updates include a fully remodeled kitchen with all new cabinets, granite countertops and stainless steel appliances, new bathrooms, new paint inside and out, brand new roof, new flooring throughout, and the list goes on. New roof was just installed too! The property is just shy of a half acre and is partially fenced in the back - plenty of room to build a shop building. Just a few miles from Lakeside School!
