Overview

This 1,600 sq. ft. home offers four bedrooms and sits on a generous double lot, providing plenty of outdoor space. Recent updates include fresh paint and new flooring, while original built-ins and hardwood floors have been preserved, blending modern upgrades with classic character. The home features a first-floor laundry for added convenience, as well as two enclosed porches perfect for enjoying morning coffee or relaxing in the evening. Key updates include a newer roof (2022), furnace (2019), central air, and water heater, ensuring year-round comfort. Additional features include a one-car garage and a good size basement, ideal for extra storage. Conveniently located near grocery stores, shopping, and dining. BTVAI. Showing begins on 9/11/24
