## Overview

Opportunity abounds!!! Come check out this 1929 built home situated on almost 1 acre close to services and the college. See all the charm that comes with this era of home, inside and out. There is a large barn and the beginnings of a backyard oasis. This property offers a 2 car attached garage with a bonus area above as well as a single car detached garage. Step inside to enjoy the decorative architecture with arched windows and doorways, hardwood and tile floors and a basement area. Large primary suite offers access to back yard. Bring your ideas and your toolbelt and make this place shine again.
