Overview

Welcome to this lovely 4-bedroom, 2.5-bath home in Murray Crossing, a great spot just minutes from Fort Stewart. The main floor features easy-to-maintain laminate wood flooring. The open kitchen has a pantry for storage and space for an eat-in table. The formal dining room stands out with wainscoting and coffered ceilings. Relax in the spacious living room with a gas fireplace, while having the convenience of a first floor half bath. Upstairs, you'll find comfortable carpeting in the 3 bedrooms, and laminate flooring in one. The owner's suite is a real highlight, with a private bath that includes dual vanities, a separate soaker tub/shower, and a large walk-in closet. The backyard is fully fenced and includes a covered patio for outdoor enjoyment. There's a finished shed in the back that provides extra space for storage. Schedule your showing today!
