Overview

This 2-story home is a hidden gem with a super-sized lot and a huge workshop! The standout feature of this home is the expansive upper-level bonus room filled with natural light from skylights and huge windows. It's an ideal hangout space, playroom or artist's studio. Kitchen features maple cabinets, skylight, garden window and pantry. Wood floors, Milgard casement windows, mini split system, deck off the primary bedroom. Extra wide and long driveway for ample parking. The workshop is 685 sq ft and has skylights, 220v electrical and garage door. Lots of undeveloped backyard space for garden, grass and games.
