## Overview

Ideal 4-BR / 2-BA Orcutt home near Waller Park, acclaimed schools, shopping, and Hwy 101 access. The spacious home features a split floor plan, with the primary bedroom on a separate side of home. The living and huge separate family room are each warmed by fireplace. The dining area and second bath are sunlit with skylights. The kitchen has updated lighting and fixtures. There is a convenient indoor laundry adjoining the primary bath--also convenient to the backyard. The covered patio is brightened with skylights and provides views of the extensive backyard with fruit trees and storage building. The ample landscaped lot includes room for RV parking. This home has all of the ingredients for a great lifestyle
