Overview

This 1905 Craftsman-style 2, 600-SF CWE residence has been beautifully renovated for today's lifestyle needs! Historic details are masterfully combined w/open floor plan, perfectly proportioned rooms and lots of light. Updated kitchen has custom cabinetry, granite countertops, center island, large walk-in pantry and premier appliances. Added 1st floor fine features include 5 plank wood floors throughout, 2 fireplaces, built-in bookcases, bar with display, new 1/2 bath and plantation shutters. 2nd floor primary suite includes large bedroom with bay window, fp, stunning bathroom w/double vanity, separate shower and tub, and walk-in closet complete with stack W/D. 3rd floor features 2 additional bedrooms and updated bath. The rear composite deck overlooks a charming garden with mature trees, brick pathway and plantings. 2-car garage. Located on a gated, tree-lined private street, the house is near Forest Park, and is within easy walking distance of neighborhood hot spots. New City School is at corner.
