Overview

Lovely and bright 1bed/1bath unit in the heart of the Loop! Ideal floor plan with a great flow from the kitchen to the living area. Great closet space and in this unit! Enjoy the large, west-facing balcony that's perfect for sunsets, fresh air and entertaining (grills allowed!) New dishwasher and reglazed shower/tub. This full-service amenity building features a 24-hour door person, on-site management and maintenance, a fitness room, and an indoor swimming pool. The association is pet and investor-friendly. No parking space included, but can be purchased or rented in the attached building garage from other owners - though you may never need a car with this incredibly central location! Abundant CTA options on every corner, as well as being steps to the River Walk, theaters, restaurants, State Street shopping, River North and so much more. One of the best values in the building, do not miss!
