Overview

87A Crystal Ave is situated on a dead end street in the desirable Beachmont community with views of Belle Isle Inlet and Marsh Reservation. This generously updated 2 bedroom 2.5 bathroom townhouse has the space to convert to 3-4 bedrooms. The main level boasts a large eat-in kitchen with higher end finishes, granite countertops, and stainless steel appliances. The first level also has a formal dining room which could have the potential to be turned into another bedroom, and an updated 1/2 bath with laundry hook-ups. Newer flooring and paint complete the main level. The second level features a larger master bedroom and second bedroom, as well as a newly renovated luxurious bathroom featuring a walk in shower, free standing tub, floating toilet and vanity, and heated bidet. A large finished basement with plenty of storage and 3/4 bath could be great as a guest suite or home office. Laundry in basement. New roof in 2012.
