Overview

Are you looking to own a country oasis near city amenities? This one-owner home has almost 4000 sq of living space on 1.3 acres with tons of opportunities to fit your needs. Natural light floods into the open-concept main living areas that connect to primary bedrm, den/office and oversized laundry/mudroom with full bath. Spacious loft, 3 bedrooms and 1.5 baths in upper level. LL has oversized family room, full bathrm and 5th bedroom/bonus room. The 3+ stall attached garage has new epoxy flooring and access to the LL. Detached garage provides even more storage space w/ a 400 sqft insulated bonus room and in-floor heating. (not attached to electrical yet) Relax in your spacious private backyard, large deck and new pool (2019). Hot tub electrical/plumbing already installed and ready to go!
