Overview

This 2-family brick beauty sits on a quiet street in the Northampton neighborhood and is the perfect addition to a rental portfolio! Walking distance to so many favorites...Golden Hoosier, Uncle Bills, Pipers Tea and Coffee and Bud's Pizza! Both units are currently tenant occupied until 5/31/24 at \$950/month. Spacious layouts fill both units and feature lots of windows (some stained glass) and original hardwood floors. Layouts include large living rooms, formal dining rooms, 2 bedrooms and a small bonus room off the back-- perfect for an office or extra storage. Fenced in yard out back and 2-car garage too! What a lovely 2-family on a lovely block!
