## Overview

Offering uncompromising design and excellent amenities, this four-bedroom, three-bath home in Clovis Unified boasts the ultimate use of space. The open-concept main floor unites a living/dining room with the heart of the home, a timeless kitchen fitted with granite counters, a suite of stainless appliances and gorgeous cabinetry. The first floor primary suite blends tasteful elegance and comfort with a walk-in closet and superb ensuite bath. A large media loft and three guest bedrooms add versatility. Outside, this fantastic two-story benefits from covered porches and low maintenance landscaping. A two car garage, high ceilings, integrated lighting and neutral decor provide the finishing touches. This three year old, 2, 532 sq ft home is located in a newly developed neighborhood steps away from a community walking trail and park. With easy access to Highway 180, a premier mix of retailers, entertainment venues, Yosemite or Kings Canyon National Parks are a short drive away. Don't miss this one, schedule your private tour today.
