## Overview

This home has characteristics that they just don't make in homes anymore! This home has massive potential and parts of the rehab are already completed. Enjoy tall ceilings, large rooms and a partially finished basement in this home that is ready to be brought back to an exquisite retreat. Utilize pieces of the original home that are in the garage to bring back the timeless beauty of the 1900's. This home includes a large, fenced in yard with privacy fence, oversized 2 car detached garage and a full basement that is partially finished. ARV is around \$200K or more, depending on the remodel. Home is being sold AS IS. Buyer's agent is to verify sq, ft and taxes.
