## Overview

Your search is over! This Newly remodeled four bedroom two-half bath beauty is looking for its new family. It sits just short of an acre of land (0.9) with fresh paint, all New double-pane windows and all New exterior doors. On the inside, the amazingly designed open floor plan is full of natural light flowing through the family, living and kitchen areas. The beautifully remodeled kitchen is equipped with new stainless-steel appliances, quartz countertops, new white shaker cabinets, a beautifully tiled wall splash and a pot-filler for the chef in the family. The custom built-in banquette overlooking the spacious backyard is perfect for informal in-kitchen dining. There is also a separate formal dining room perfect for family dinners and holiday parties with friends. The huge primary suite provides an oasis for the head of household and can accommodate a king size bed, a separate reading area, two walk-in closets and an amazing view of the spacious backyard. The ensuite will make any neighbor green with envy. There is a big walk-in shower with a glass frameless shower door, a beautiful claw foot tub, custom tile work, high-end finishes and a double vanity. There are also three additional large bedrooms with walk-in closets and full hall bath with a double vanity. The spacious deck is just off the family room and provides indoor/outdoor living which is great for entertaining. New recess lighting and a New electrical control panel installed. There is also a large two-car garage with an

additional storage area equipped with automatic garage door openers. Located in a quiet Lithonia neighborhood with great neighbors. This is a home with great bones and a quality renovation. It is a must see the pictures do not do it justice. No HOA. Motivated seller. Please submit pre-approval with offers.
