Overview

Affordably priced Two-bedroom two bath permanently affixed manufactured home. Paved street and quiet neighborhood. Constructed in 2023 and never been lived in. Waiting for new owners to enjoy the blessings of living at the Coast. Brick underpinning and poured cement footers for additional support are just a few of the important features this home offers. Appliance package included. Move in ready. All recent county building inspections available for the confidence you need. No HOA or POA. Call the listing agent today for a showing before this beautiful opportunity slips away.
