Overview

Discover your new home located in an established neighborhood where new builds are a rare find. This brand-new construction features 4 generous bedrooms and 2.5 bathrooms, providing ample space and comfort. This thoughtfully designed floor plan places all bedrooms and the conveniently located laundry room upstairs, while the open concept living and kitchen area on the main floor is ideal for both entertaining and everyday living. Home spans a total of 2,361sq ft with 1,694sq ft of living space. Home boasts a charming 182 sq ft covered patio, perfect for enjoying outdoor moments regardless of the weather. The spacious, level lot provides an ideal setting for both relaxation and play. Prime location less than 10 minutes from the University of Kentucky and Keeneland. Under 2 miles from downtown Lexington, the Distillery District, and vibrant entertainment venues, you'll have quick access to everything the area has to offer. Builder is offering flexibility w/ selections and colors allowing you to personalize the home as long as it is within budget and selections have not already been ordered. Don't miss the chance to make this home your own, schedule a showing today!
