Overview

Modern and bright, this free standing home is both functional and beautiful. The residence has an open floor plan with soaring ceilings and walls of windows provide an abundance of natural light. The large primary bedroom is located on the main level. Two additional bedrooms , a large loft space and full bathroom are upstairs. The open kitchen has plenty of cabinet and counter space, a large center island and a huge walk-in pantry providing tons of extra storage. This private, gated community provides low maintenance living with the HOA maintaining the front and backyard and sprinkler. Terrific central location within minutes in any direction to restaurants, breweries, parks and only 3 miles to S Congress. Home has 2 car garage, extra driveway parking and is conveniently located right across from guest parking.
