Overview

3 Car Garage! This all brick 4 bedroom, 2.5 bathroom home with Main Floor Laundry. The home has an extra lot with a detached 2 car garage (over 1400 square feet) with 15x29 office/shop area. The home has an attached heated 1 Car Garage. Hardwood floors throughout the main and upper. Generous room sizes - especially the 15x14 Living Room and 14x12 Eat-in Kitchen. Basement has a 26x15 Family Room. One of the bedrooms has a private toilet and sink. Walk up attic for extra storage space. There are some fruit trees on the property (cherry, apple, and apricot). This a great home and quick possession is possible. Come take your tour today!
