Overview

WOW! Is what you will say when you drive up to this charming lake front home in Rough River Resort! LOVE the exterior color and inside is just as charming. Good location coming from the Louisville end of the lake. Black top road all the way to this house. Want a lake house to get-a-way from family and just enjoy a couple of friends on weekends? This 2 bedroom lake front is a good way to escape! Perfectly furnished and move in ready at closing. Nice deck to enjoy views of Rough River Lake. A mini split system keeps this cabin nice and cool. You will love the vaulted ceilings, inside colors and decor. Looks new inside! Seller has done a recent remodel, and this home has been used as a vacation rental which is allowed in the Rough River Resort Subdivision. The seller says the subdivision has a cart path to the lake. This home does have a dock to transfer with COE approval. Don't wait till next spring to snap up a REAL DEAL like we think you will get on this lake house. Call for an appointment and keep in mind IF IT IS RENTED, we are not able to show it. Agent to be present during showing
