Overview

Searching for that hard to find acreage? This is the one! This wonderful 9.23 acre property is located just outside Woodward approximately two miles with minimal gravel. Come see this 1992 sqft beautiful craftsman style brick home which sits up on the property with stunning views of the quiet countryside. The main floor of this home features a three season enclosed front room, spacious living room with fireplace, formal dining room, two bedrooms, a bathroom and good sized kitchen w/breakfast area. Laundry on the main. The second level has two great sized bedrooms. Amazing original features of the home such as woodwork, hardwood floors, built-in hutch, colonnades, radiators and more. Updated roof, paint and carpets. Full basement with lots of potential or just use for storage and utilities. Large deck off the kitchen for entertaining or relaxing. Metal 24x48 building to store cars, tractors, a boat, camper or turn it into a shop. This property truly is a rare find and with some TLC, and updates to make it your own, it could be your forever home. Pull your car into the two car detached garage and here you are Home Sweet Home! Call today for your showing before someone else does.
