Overview

Stunning Colonial in an unbeatable location tucked back from the road with nothing to do but move-in! Located in an excellent commuter location with access to the commuter bus station at the end of the road! The first floor offers a well-equipped kitchen with brand new stainless steel appliances, a renovated 1/2 bath well appointed with the elegant Pottery Barn Moro vanity, an inviting dining room and a sizable front to back family room, providing ample space for your needs. Living room is complete with a propane fireplace overlooking the abundance of trees surrounding the home. Upstairs consists of a primary bedroom with an expansive layout and en-suite bath, as well as 3 additional bedrooms and a main bath, which provide a range of possibilities to suit your lifestyle. The spacious basement could be finished for additional living space, and is ready for your personal touch. The attic has ample storage, and the two-car attached garage has direct entry into the kitchen. All major updates have already been done! Updates include fresh paint throughout, new light fixtures, new gutters, new kitchen appliances, newer boiler, new water system, new roof, replacement windows, updated 200 amp electric, and new floors throughout!
