Overview

102 Ricardo Road offers an attractive, bright, and comfortable home surrounded by gardens and decks, in an incredibly convenient location. Across the street is the Strawberry Recreation Center, complete with tennis and pickleball courts, playground, swimming pool, and playing fields. The highly rated Strawberry Point Elementary School is less than a third of a mile away. The home is ideal for entertaining. The easy flow of the front patio through the living room and kitchen to private back deck is ideal, with built-in speakers playing music throughout. The main floor features an entry hall, living and dining rooms open to one another, large kitchen, the primary suite, two more bedrooms, and a hall bath. Downstairs is ideal for guests, as it has its own recently remodeled full bath, or its generous size makes for a great family room. The privacy of the home is another stand-out feature. You cannot see any neighbors to the front, back, or sides. While it is extremely private, it is under half a mile from Tiburon Cove for Peet's Coffee and Jane's pastries and breads, or weekly groceries at Nugget Market.
